

## Orange County Sportsplex Private Figure Skating/Skating Lessons

Private lessons are offered by Sportsplex staff coaches. Our coaches are highly qualified industry leaders and professionals with impressive competitive backgrounds. Staff coaches teach all Learn to Skate, on-ice, and off-ice classes at the Orange County Sportsplex.

Private lessons are available to all skaters, regardless of age and skill level. Private lessons allow for one-on-one learning specific to a skater's individual needs. Skaters generally progress at an accelerated pace in private lessons.

Please note, private lesson fees are paid directly to the front desk and do not include ice time or skate rentals. Admission/ice time and skate rentals are also paid at the front desk. Lesson fees vary based upon the Skating Instructor's qualifications and credentials. You may contact our Skating Instructors directly to inquire about private lessons. We recommend observing our instructors teaching group classes or private lessons before deciding who to reach out to.

If you would like assistance in selecting a Skating Instructor based upon your availability, goals, and skill level, please contact Jamye Gaster, Figure Skating Director, at 919-225-7819 or [jgaster@oc-sportsplex.com](mailto:jgaster@oc-sportsplex.com). If you know the instructor you would like to work with, please contact them directly.
