

# How It Works:

The pickleball head will assign 4 players to each pickleball court and they will play a game to 15 (they can win by 1 point). After each game, they will change partners so that they end up playing with each of the 3 other players that are assigned to their court. After each game, they will record their own score on the score sheet as the points that they have earned. Based off of these points they will move up and down the ladder.

If players cannot make it, we will call people from a sub list to fill in for them. The player not there will receive a NA, which will not affect their score for the next week, but will affect their overall score on the ladder. Subs will only pay if they get called to play. Players are expected to be at 90% of their games, if you will not be able to make that commitment, please sign up for the sub list (can do so by contacting Fieldhouse Manager Gracie Finch). If people do not show up or give less than a 24 hours notice, they will be given a score of 0, which will affect all their standings and be fined \$5. If a player no shows 3 or more times, they will be asked to not participate in any future ladders.

Each week, an email will be sent out with the standings of the week and the standings of the ladder as well as the schedule for the following week.

For more information please contact Fieldhouse Manager Gracie Finch at [gfinch@oc-sportsplex.com](mailto:gfinch@oc-sportsplex.com) or 919-644-0339 ext 223
