

Parents/Guardians,

We take the safety, health, and well-being of our staff, children, and families seriously, so please take a moment and read the policies and procedures that we have put in place for all KidsPlex Camps due to COVID:

- You **must** pre-register online for all camps, but if you need assistance, please call ahead to enroll your child. We unfortunately will not be able to take walk-ins at this time.
- Drop-off and pick-up will take place directly outside the entrance to the Field House (blue building attached to the soccer turf).
- Please make sure whoever is dropping off and picking up the child(ren), is wearing a mask and maintains a proper distance. *If you drop off after 8:45am, you will have to walk your child into the building to check in, as outside drop-off has ended. If you pick up prior to 4:30pm, you will also have to walk into the building to sign out your child.*
- We ask that all children are here by 8:30am, so we can get started promptly with their day. **You cannot wait in your car for drop-off or pick-up. You are responsible for walking your child to the sign-in table each morning.**
- **If your child presents COVID-19 symptoms, then your child cannot be admitted in.** If your child starts to experience COVID-19 symptoms later in the day or develops a fever, the child must leave, and a parent/guardian must be able to immediately come pick them up.
- All counselors and staff interacting or supervising the children will be required to wear a mask. **For the safety of all, it will also be required that ALL campers wear a mask. Parents are expected to provide masks for their child(ren). Orange County Sportsplex and KidsPlex will not be responsible for providing masks for its campers.** Please pack an extra mask or two for safety purposes!
- Parents/Guardians must supply their child's snacks and lunches (completely NUT-FREE) each day that they are at camp. **Your child will also need their own water bottle for each day that they are at camp.**
- We ask that to be able to still do crafts, that **parents/guardians send their children with their own basic art supplies (crayons, markers, and/or colored pencils, scissors, etc.).**
- We have also heightened our end-of-day cleaning procedures, as well. All cleaning solutions will be EPA registered disinfectants, per the CDC's guidelines.
- Spaces that KidsPlex will be utilizing will be taped to ensure social distancing, There will also be an adequate amount of hand sanitizer in touch-free dispensers placed around the facility for situations where handwashing is not available.

We understand that there are a lot of policies and procedures that must be put in place for the safety of everyone, but we are still looking forward to a fun and memorable Summer 2021! Thank you for entrusting us with the care of your child(ren).

If you have any questions and/or concerns, please do not hesitate to reach out.
