

Parents/Guardians,

We want to reassure parents and guardians that we are adhering to all the guidelines, policies, and procedures set forth by NC's Department of Health & Human Services, as well as the Center for Disease Control (CDC).

While making this decision can be difficult, please know that we take the safety, health, and well-being of our staff, children, and families seriously, and so we have put together updated policies and procedures for the **Intersession/Teacher Workday Camps**:

- Drop-off and pick-up will take place at the Field House, which is the blue building attached to the soccer turf. **Please make sure you always bring a picture ID for pick-up, as there are different staff members who run pick-up.**
- **If your child presents COVID-19 symptoms, then your child cannot be admitted in.** If your child starts to experience COVID-19 symptoms or develops a fever later on in the day, the child must leave, and a parent/guardian must be able to immediately come pick them up.
- Parents/Guardians will be asked to supply their child's two snacks and lunch, which must be completely **NUT-FREE**. They will also need their **own** water bottle.
- **On SWIM days (M/W/TH)**, your child will need: a bathing suit, towel, plastic bag for their wet clothes, and pool shoes (the pool deck can be slippery).
- **On SKATE days (T/F)**, your child will need: warm clothes, long socks, and their **own** bike helmet. **FOR SAFETY REASONS, IT IS A REQUIREMENT THAT EVERY CHILD IN KIDSPLEX MUST BRING AND WEAR A HELMET TO BE ABLE TO SKATE!!**
- We have heightened our end-of-day cleaning procedures, as well. All cleaning solutions will be EPA registered disinfectants, per the CDC's guidelines.
- There will be an adequate amount of hand sanitizer in touch-free dispensers placed around the facility for situations where handwashing is not available.

If you have any questions, please let me know.

Thanks,

Gayle DelVecchia
