**Children with a fever should be fever-free for 24 hours without medication before returning to after-school.** Children who have been vomiting, have had diarrhea, consistent runny nose, discharge from eyes, rash, severe cough or congestion, sore throat/swollen glands, or green mucus, should stay home. If a child has been sick with any of the above symptoms, we ask that you allow a minimum of 24 hours after symptoms cease, or we will need to call you to come pick up your child if symptoms persist.

## ABSENCE
