

# March 30<sup>th</sup> Doubles Pickleball Tournament

When: Saturday; March 30<sup>th</sup> 8:00am-12:00pm

Cost: \$45 per team Level:

This is a beginners level doubles tournament. Your partner does not have to be the same gender as yourself.

Registration: One player from each team will register through our website. In the notes section of their registration, they will put their partner's name. When both people check in to play on the 30th, they will fill out a liability waiver.

How it Will Be Run: People will register online for our doubles tournament. At 7:00am doors will open for people to check in, find their court, and get warmed up. Play will begin at 8:00am. When people arrive and check-in, they will be assigned a pool (A or B aka side of the court) along with a court. They will then play everyone in their pool (all the people assigned to that side of the basketball court). After every team has played all the other teams in their pool, the top 3 from each pool will move on to the finals bracket and 3 bottom will move on to the consolation bracket. These rounds will be single elimination. The top 3 and bottom 3 will be determined by the numbers of wins and losses. If there is a tie, the scores will break the tie.

How Many Teams: This tournament allows for 12 teams. We do have a waitlist for additional teams. If we get enough, we may be able to open to more teams or they will be called if someone drops out.
