

Orange County Sportsplex Private Figure Skating/Skating Lessons

Private lessons are offered by Sportsplex staff coaches. All our coaching staff are PSA members and may have additional specialties and experience. Staff coaches teach all Learn to Skate, on-ice, and off-ice classes at the Orange County Sportsplex.

Private lessons are available to all skaters, regardless of age and skill level. Private lessons allow for one-on-one learning specific to a skater's individual needs. Skaters generally progress at an accelerated pace in private lessons. Our coaches are independent contractors of the Sportsplex, so coaching fees are paid separately from that of the figure skating freestyle sessions ice time. Both private lesson fees and freestyle session fees are paid directly to the front desk. Lesson fees for each coach vary based upon their qualifications and teaching experience.

If you would like assistance in selecting a Skating Instructor based upon your availability, goals, and skill level, please contact Dia McGaughey, Figure Skating Director, at DMcGaughey@oc-sportsplex.com. If you know the instructor you would like to work with, please contact them directly.

Full Time Staff Coaches available for Private Lessons:
